

# FLORIDA EXPRESS LANES CENTRAL FLORIDA

## GET A SUNPASS!

Tolls in the express lanes will be collected electronically with an active, properly mounted SunPass® or other interoperable transponder (listed on [SunPass.com](http://SunPass.com)). **You cannot pay for tolls in the express lanes using cash or TOLL-BY-PLATE, as you will be considered a violator and subject to additional fees.** SunPass customers pay the lowest toll rates available, so purchase one TODAY!

Here's how you can buy and activate a SunPass.

	BUY	ACTIVATE

## WHAT ARE EXPRESS LANES?

Express lanes are optional travel lanes, located on an interstate or toll road, that customers can choose to use when they want a more predictable travel time. Customers in the express lanes pay a dynamically priced toll that increases as traffic begins to build in the express lanes and decreases as traffic reduces. Express lanes are designed with a limited number of entrance and exit points to serve longer, more regional trips.

## EXPRESS LANES BENEFITS

Provide Customers with Travel Choices

Offer a More Predictable Travel Time

Deliver Long-Term Solution to Manage Traffic Flow

Reduce Fuel Consumption

Decrease Air Pollution

Support Transit Usage
